We are so fortunate to have had so many of you reach out to us asking how you can help and what you can do to ensure our seniors are well cared for. As an essential business providing meals and other services to our community’s most vulnerable senior citizens, Seniors First continues to operate. Your donations are more critical now than ever to ensure they continue to receive these services during this unprecedented time.

Our greatest need is contributions, both monetary and grocery items, to our community food pantry, as we are seeing a large increase in the number of visitors. Leveraging your monetary donations allows us to stretch your dollars to serve even more individuals.
